

SOCIAL DANCE SESSIONS IN THE NEW YEAR: COME AND JOIN US!

Following a successful first term, we are continuing with our monthly morning dance sessions in the New Year. These sessions are friendly, informal and fun, and dancers are welcome to join us for one or all of them.

As before, we have chosen a core list of 25 dances for the term, a selection of which will appear on each month's programme (see below and overleaf for dates and dances). These dances will be recapped but not walked through. Dancers will be under absolutely no pressure to dance a particular dance if they prefer not to, but those who stand up for a dance will be expected to be able to dance it with a verbal recap.

Our venue is Stillington Village Hall, 10 miles North of York, which has proved an excellent new venue for Scottish Country Dancing in 2018, both for the Downey Day of Dance, and for our weekly summer dance sessions.

A crib for each month's session can be sent to you by email upon request to Ken and Carol, or should be available on either the York & N Humberside Branch website or the York Club website.

Cost per session, including tea or coffee, is £3 per person. Stillington Village Hall, The Green, Stillington, YO61 1JX.

We hope you'll be able to join us. We'd also be grateful if you could tell your dancing friends about the sessions.
