

NEW SOCIAL DANCE SESSIONS: COME AND JOIN US!

We're starting a new venture this term, with the introduction of a monthly, morning social dance session. This is not a new class to replace others in our area, but is an opportunity for more experienced dancers to come together to dance and socialise with others of a similar ability.

This is an innovation, in that we have chosen a core list of 25 dances for the term, a selection of which will appear on each month's programme (see below and overleaf for dates and dances).

These dances will be recapped but not walked through. Dancers will be under absolutely no pressure to dance a particular dance if they prefer not to, but those who stand up for a dance will be expected to be able to dance it with a verbal recap.

We hope you will be able to support us in this venture, since its success depends upon having sufficient numbers. If it goes well this term, we will look at running a session once a fortnight in the New Year. We'd be grateful if you could tell your dancing friends about the sessions.

Our venue is Stillington Village Hall, 10 miles North of York, which has proved an excellent new venue for Scottish Country Dancing over the past few months, both for the Downey Day of Dance, and for the weekly summer dance sessions we have been running.

A crib for each month's session can be sent to you by email upon request to Ken and Carol, or should be available on either the York & N Humberside Branch website or the York Club website.

Cost per session, including tea or coffee, is £3 per person. Stillington Village Hall, The Green, Stillington, YO61 1JX.
